

# Geoff Audition Material

*GEOFF and Captain AGESHY are discussing the treasure*

GEOFF

Look, Cap'n, we know where in the ocean the island is. We also know that staring this map isn't going to tell us where the treasure is buried so, come on, why did you *really* ask me here?

AGESHY

Oh Geoff, you are good. We've been at sea for two weeks now - I was just a wandering how the new boy was getting on?

GEOFF

Oh. The lad's doing fine. Learning well, even with Simon showing him the ropes.

AGESHY

Good, that is good. I... We need him to be seaworthy for this to work.

GEOFF

Why is that then?

AGESHY

No, no, I mean, we be needing a complete crew. You understand.

GEOFF

Yes Cap. One thing though.

AGESHY

Yes?

GEOFF

Why him? I mean why did you make us go to this pub in the arse end of nowhere to find this random moron who aint never set foot on a ship before?

AGESHY

Well Geoff, I'll tell ye.

*Underscoring starts*

Many years ago, afore someone got fruity with old Cap'n Tagonay, we were in a small port on the Caicos Islands when I met a strange woman...

*Underscoring snaps off*

GEOFF

Oh. Really? And then what, hmmm? Did you spend the night with her, is that it? Touched her, did you? Licked her face...

AGESHY

What? No. Are you ok Geoff lad?

GEOFF

Fine, no, sorry, carry on.

AGESHY

Right.

*Underscoring starts again*

Well, she spoke to me of destiny and told me that...

Underscoring snaps off... again and there is a banging on the door and a brouha ha outside.

EYES

*As Welsh as possible*

Cap'n, come quick, we've found a stow-away!

AGESHY

What?

GEOFF

Stowaway Cap'n

AGESHY

Geoff, fetch my cutlass, let's go send this trespasser to Davey Jones.

GEOFF

Quite.
