

Milly Audition Material

Milly has gone to see Clive to try and reunite him with Isabella...

MILLY
Hi Clive.

JERRY
Pleased

Heello darlin'! Missed me did ya? I know how it is—never too soon to see a Muldoon!

MILLY
For your information Muldoon, I ain't here to see you. I came to see, Mr. Huckledish here.

CLIVE
Sighing
Fish.

MILLY
No thanks, I've just eaten.

CLIVE
Resigned
Glad to hear it.

MILLY
Look Clive, I know it's none of my business, but what's going on with you and Isabella?

JERRY
Knowingly
Uh oh! She said the 'I' word.

CLIVE
Turning away
You're right Milly, it's none of your business.

MILLY
Oh come on Clive, you two were perfect together! The daughter of a substance-abusing megalomaniac and the apprentice of a maggot-feeding old sociopath—

JERRY
-match made in heaven!

MILLY
Speaking of which, where is the Undertaker?

CLIVE
Sweden.

MILLY

Oh...I see...I think. Look-as I was saying—can't you two just sort it out? Issy wants you back, I know she does, and I knows that you want her back too! Just go round and speak to her! Say you're sorry!

CLIVE

Sorry for what!? Sorry because I don't want to hear—day in and day out—about how great the Pied Piper is compared to me? Sorry because I couldn't be with her every waking moment of every day? Sorry because I've made something of my life? I'm rich Milly, I don't need Isabella anymore.

MILLY

You're going to die a lonely man, Clive Huckledish!

CLIVE

Fish! Fish!

MILLY

Not-

CLIVE

-hungry, yes I know!

MILLY

Clive Huckledish, you're going to die—

She is interrupted by the appearance of DEATH
